## Why a family mission trip?

*We believe that every member of FBC Brandon is a minister and a missionary. The desire of our missions program is to see each FBC Brandon member involved hands-on and to make missions opportunities available to all ages.*

*Mission Lab provides opportunities for all members of our families to use their individual gifts on a mission trip. While participating in a mission experience together, families will no doubt make memories that will last forever and enjoy the fulfillment that accompanies being on mission for God.*
